"Kelebek"

Refik FERSAN

GÜRSEL

1

Benim gönlüm bir kelebek
Dolaşüyor çiçek çiçek
Tükenecek ömrü böyle
Çarpınarak titreyerek

2

Ne şerefli bir adı var
Ne bir büyük maksadı var
Her gün biraz zedelenen
İki ipek kanadı var

3

Her şey ona karşı durur
Güneş yakar kış dondurur
Bazı tutar kanadından
Bir fırtına yere vurur

4

Benim gönlüm bir kelebek
Dolaşıyor titreyerek
Zavallının bir baharlık
Ömrü böyle tükenecek

5

Sabırlıdır, gözü tokdur
Zavallının derdi çoktur
Yorulunca konacağı
Bir yuvası bile yoktur
