Bülbülüm gelde dile İssız yuvamda tektin  
Söyle benimle bile Çekilmez çile çektin  
Sesini duyur ele Kim derdi gülecektin  
Çile bülbülüm çile. Çile bülbülüm çile.

Müjde ey güzel kuşum  
Bahara döndü kışım  
Gülüyor içim dışım  
Çile bülbülüm çile..
