

UŞŞAK İLÂHÎ (Allah emrin tutalım)

Güfte: Yunus Emre

Beste: Zekâî Dede Ef.

Allah emrin tutalım Rahmetine batalım
Dülbül gibi ötelim Allah Allah kerim Allah
Rahim Allah aman Allah, diyelim ya hû

Allah adın dillerde, sevgisi gönüllerde
Şol korkulu illerde, Allah Allah, Kerim Allah
Rahim Allah, aman Allah, diyelim ya hû.

Allah adın uludur, emrin tutan kuludur
Mü'minlerin yoludur, Allah, Allah, kerim Allah
Rahim Allah, aman Allah, diyelim ya hû

"YUNUS" söyler sözünü, Hakka bağlar özünü
Görmek ister yüzünü, Allah Allah, kerim Allah
Rahim Allah, aman Allah, diyelim ya hû.
