Düşeyim aşk denizine

Aşkın oduna yanayım

Akıdam gölüm yasını

Yunus aşkın perdesini

Gavvas olayım bir zaman

Derdin hânına kanayım

Artıram bağrım başını

Ref' etme olma bihicab

İstiyeyim seni her dem

Gördüğüm seni sanayım

Tâ görünce nakkasını

Mürşidi kâmil yoluna

Seyah olayım bir zaman

Hayran olayım bir zaman

Görün olayım bir zaman

Kurban olayım bir zaman
