HICAZ ŞARKI "Elimde sükûtuñ nabzını dînle" devamı

ARANÂĞNE

Kö-şe-de bir (pp) lâh-za ka-lı-ver Bit-sin

Ü-mi-dim yıl-lar-ın se-lî-ne düş-tü

Sa-çı-nın en tit-rek te-lî-ne düş-tü

Ku-ru yap-rak gi-bi e-lî-ne düş-tü

İs-ter-sen rüz (pp) gâ-ra sa-lı-ver Bit-sin **Son**

Elimde sükûtuñ nabzını dînle

Dinlede gîhlîmü aliver gitsin

Saçlarınımı tutup kor gözlerime

Yaslı gözlerime daliver gitsin

Yürü! ^{x x x} gölgeñ seni uğurlamakta

Kıvrılıp kıvrılıp kaybol ırakta

Yolu tam dönerken arkana bak ta

Köşede bir lâhza kaliver gitsin

Ümidim ^{x x x} yılların seline düştü

Saçının en titrek teline düştü

Kuru yaprak gibi eline düştü

İstersen rüzgâra saliver gitsin
