Gel

I.

Erzincan'ın dağlarını aşar giderim
Eminene Eminene selâm ederim
O yar benim olanı ise alup giderim.

Nakarat.

Eminem eninem gel gel
Hay eller eller karardı çöllere
O yeşil güller o pamuk eller
Gel yanına gir koluna dolan boynuma

2.

Erzincan'ın yollarını arar ararın
Eminemin saçlarını tarar tararın
Gizli gizli hatırlarını sorar sorarın.
Nakarat.
