Ey gül-i rânâ seni bir gül diye sevdim.  
kokladığım zülfünü sünbül diye sevdim  
Dinlediğimi nağmeni bülbül diye sevdim.  
Gel yüzü gül, nağmesi bülbül, sağı sünbül  
Faslı bahar geldi canım, sende biraz gül  
Kokladığım zülfünü sünbül diye sevdim.  
suat günçören.
