Suzinâk şarkının devamı

Türk oksoğı (♩ = 114)

(Ey nice dağlar)

Ey nice dağlar başında böyle eîgân edeyim
Yokki bir yar-ı şefikim hâlisar-ı söyleyim
Olsada şinden geru gönlüm yakıldı neyleyim
Bu harâb âbâd gında ne varki peyleyim
Nâle ney eşkin şerab dildarım olsun oâ-ı mey
İstemem bezmînde artık suzinâktan başka şey...
