Fecrin bütün esrârı parıldarken açıkda
Bir devri yaşat Kanlıca nehtâbına çık da
Körfez'de ne ses var ne de bir çit kayalıkda
Mâziye bürün Kanlıca nehtâbına çık da

Dalgın suyun aksindeki endâmını seyret
Karşında solan bir günün akşamını seyret
Aşıkların koyda serencâmını seyret
Her devri yaşat Kanlıca nehtâbına çık da...
