NİHAİYEND
(Geceler dardına درمان'olmıyor)

Güfte : Berran Yalçın
Beste : İmir Ateş

Geceler derdime derman olmuyor
Şafaklar sökmeden gitme ne olur
Sana anlatacak bilsen neler var
İçimi dökmeden gitme ne olur

Şimdi ellerimi tut ellerinle
Aalbime ümit ver kor gözlerinle
Vakit geç olsa da bir parça dinle
İçimi dökmeden gitme ne olur

Kader bir köşede unutmuş beni
Mutluluk sarmış sanki her yeri
Kırk yılda bir defa bulmuşum seni
İçimi dökmeden gitme ne olur
