Merhaba Dostlar

Beste:

Seldik yine bir araya,
Merhem gibiyiz yataya..
Gönüller doluş selâm
Merhaba dostlar merhaba.

Yedi verendir gülümüz
Her dem şakır bülbülümüz
Acık sevgiye gönümüz
Merhaba dostlar, merhaba..

Haber verin erenlerden,
Bir selâm gönderenlerden,
Hakk yerden, Hakk yerden,
Merhaba dostlar merhaba.
