Gi de ce ğim gur bet el dir

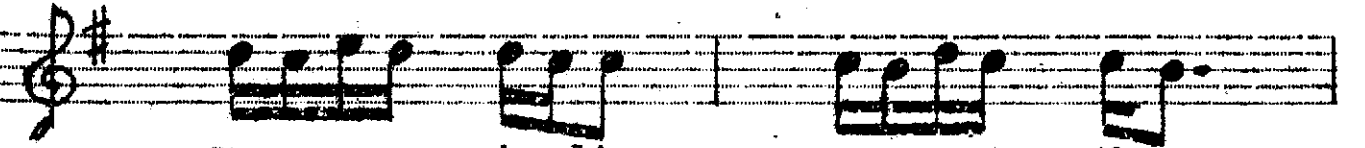

gi de ce ğim gur bet el dir

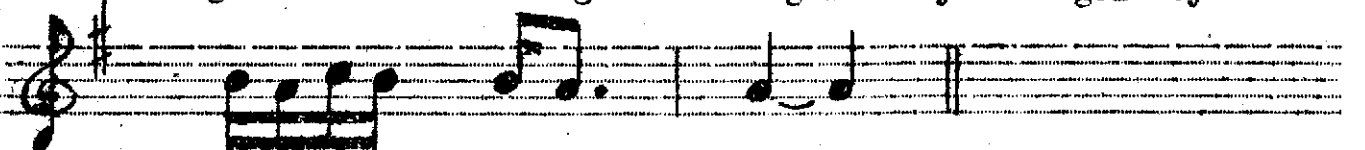

Ye ge li nir ya ge lin mez
ya se vi lir ya se vil mez

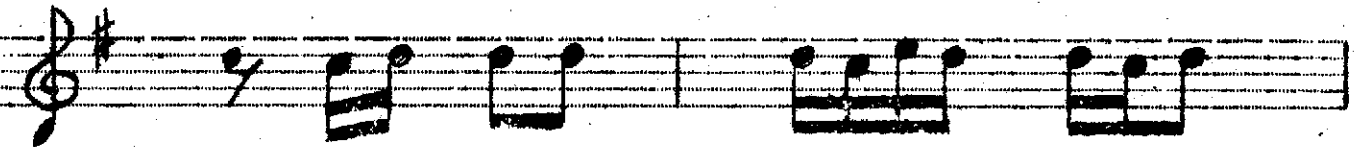

her gü ze le me yıl ver me
gel gül lüm gel gel tel lım gel

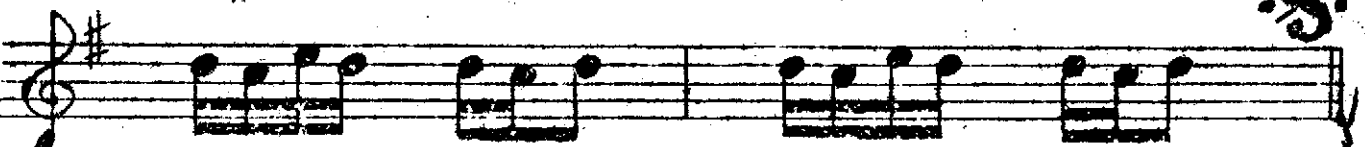

ya se vi lir ya se vil mez
gel nız lım gel gel ey gel ey

gel ey gel ey gel ey

Her gü ze le me yıl ver me

Gİleceğim gurbet eldir
Ya gelinir, ya gelinmez
Her güzele meyil verme
Ya sevilir, ya sevilmez.

Has bahçenin gül ağacı
Kimi tatlı kimi acı
Benim derdimin ilacı
Ya bulunur, ya bulunmaz.

Deryalarda yüzer bahri
Doldur ver içeyim zehri
Zelim gurbetelin kahrı
Ya çekilir, ya çekilmez.
