GÖNLÜM ÖZLEDİKÇE GÖRÜRÜM, HELE

SADETTİN KAYNAK

ARANACME..

Gönlüm özledikçe görürdüm, hele
Lâcivert kanatlı kuru olsaydım
Seni kıskanırdım rüyada bile
Ehu güllerinde uyku olsaydım

Sanma ki sevgilim Solar biterdim
Belki muradına böyle yeterdim
Gonca lablerinde yanar tüterdim
Güllerden süsülen koktu olsaydım

Duyabilmek için inceden ince
Bütün benliğimi sana verince
Dalarım aşkına şöyle derince
Gönlünde yaşayan duygu olsaydım
