Kai bi mi dinle sen aş kam la in le sen sevgi me

gülmeye son çapkanlık bil me sen

Gönlümde emeller hülyalar dolu
Aşkıyla bekledim bu ıssız yolu
Çapkın çapkın gönüller gibi
Çapkın çapkın çapkın hayaller gibi
Kalbimi dinlesen aşkıyla inlesen
Sevgime gülüsen çapkınlık bilmesen

II

Ruhumun bahara aşkıman gülü
Bekledim yolunu boynum büküldü
