Aranagme

Gönüme hoş geldin, evine geldin
Bir anda kalbi me mutluluk verdin
Hepsini bana ver, kalmasın derdin
Aşkınla haya ta dönmüş gibiyim.

Güzel sin, hayal in sonsuz bir ömür
Her arzun duyduğum engüzel emir
Kurtarır hepsini kollarım demir
Aşkınla haya ta dönmüş gibiyim.

Neşeli olmadım aşkından önce
Sende beni buldun mutlusun bence
Daha güzel sevd a varmıdın sen e
Aşkınla haya ta dönmüş gibiyim
