Gönülden gönüle sesler

Dr. ALAEDDİN YAVAŞCA

Gönülden gönüle sesler
Bir sır olur aşkı besler
Birleşir sanki nefesle
Bir tek kalpde bir ahenkde
Gönülden gönüle akar
Akdıkca her kalbi yakar

Hatır yapan hatır yıkan
Gönülden gönüle sesler
Ne olur her yandan geçin
Yârimünherdeyse seçin
Aşk ı yudum yudum için
Gönülden gönüle sesler...
