Göller var anam gözler var  
Bak sünem göller var  
İstirim yare varamak  
Dört yamuk gözler var  
Bana yarden geç derler  
Yarda ahim gözler var

Güller aşar yaz olur  
Bülbul sesi saz olur  
Sardanya düşüncem  
Çektig. her naz dur  
Dedim yâr bir büse ver  
Dedi ârik az olur

Ne dersin anam ne dersin  
Ne okursun ne dersin  
Duome diler karımda  
Beni mecnun edersin  
Güzel sermek seşapdur  
Semi sendim ne dersin
