Üverlün

Gözümde yağmursun -

-I-  
Gözümde yağırsun içimde ateş  
Nasıl yakutun beni bir kile bilersen  
Gecemde rüyamsın günümde güneş  
Nasıl sevdim seni bir kile bilersen  
Seninle elele tutuşmak var ya  
Seninle göz göze bakışmak var ya  
Seninle bir evi paylaşmak var ya  
Ne güzel ne güzel bir kile bilersen

#  
Pana olan aşkın inan hiç bitmez  
Seni sevmek için bir ömür yetmez  
Senin güzelliğin gözümde bitmez  
Nasıl sevdim seni bir kile bilersen
