Şe lâ mi ..... çok gör me ....

ge lip ge çer ken .....

Aş kı mi ..... u nut ma .....

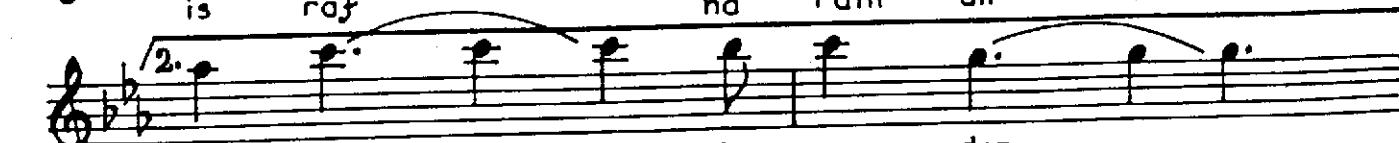

be ni har car ken .....

Ha ram dir sev di ğim .....

is raf ha ram dir

is raf ..... ha ram dir

Haramdır sevdiğim israf haramdır  
Aşkımı unutma beni harcarken

Farkında değilsin vurduğun yerin  
Şuramdır sevdiğim iste şuramdır  
Mecnunun aldığı darbeden derin  
Yaramdır sevdiğim gönül yaramdır

Giderim mutluluk senden ıraksa  
Hasretin yakamı bir an bıraksa  
Uğrunda mutlaka kurban gerekse  
Sıramdır, sevdiğim benim sıramdır

Umutum ilgine avuç açarken  
Selamı çok görme gelip geçerken  
Aşkımı unutma beni harcarken  
Haramdır sevdiğim israf haramdır.
