SAZ

se ni ni çin se ve rim zam bak

çünkü yü zün ler şey den : par lak

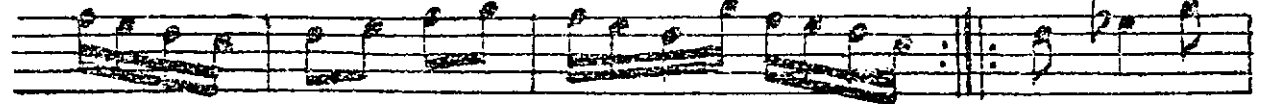

ha zan o lur dö kü lür

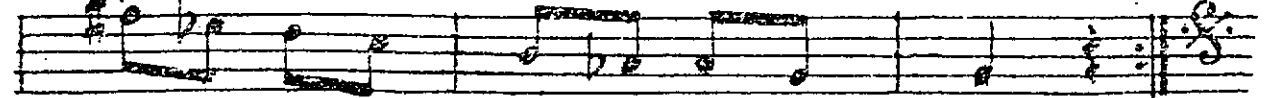

yap rak bir gün sen

de o lursun top rak - gel art ık

gel de na zı bı rak

Hele hele bana bir yan bak  
 Seni çapkın seni mor zambak  
 Gül den güzelsin aydan parlak  
 Yüzün güneşten de yuvarlak  
 Ya benim ol ya büsbütün bırak

Ya bir su olup kalbime ak  
 Seni niçin severim zambak  
 Çünkü yüzün her şeyden parlak  
 Hazan olur dökülür yaprak  
 Gel artık gelde nazı bırak
