

Intro. Söyle bana arkadaş

Söz: Kamil Başaran
Müzik: Ergin Kızılay

İstirapla doğmuşuz, nasıl mutlu oluruz
Bizdeki bu dertlere, nereden çare buluruz
Söyle bana arkadaş ne olacak halimiz

Bizimki de yaşamak mı hergün dünden beteriz

Dert bir yandan söyler, aşk bir yandan eğletir

Gariplerin feryadı sabır taşı çatlatır

Kötü yazı yazılmış henüz daha doğmadan

Rahat yok mu bize hiç, kara toprak olmadan

Son nekeret
