# YÜRÜK! MAHUR SARKI

Şiir : G ng r F. T z n  
Beste : C n gen Tann korur

İki kor par ası baktık a kıvılcımlanıyor  
Beni her g zg ze geldik e alevler sarıyor  
AcıyormuŐ gibi bir an, bilemem, belki de naz  
 ekilip ardına kirpiklerinin saklanıyor

Sonra birden, yine bir baŐka kıvılcımlı bakıŐ  
Bir umut ŐimŐeđi ancak, yine yalnız bırakıŐ  
U uŐan sa ları dalgın bakıŐın son tuzađı  
Kapanan g zleri h l  yakacak kalb arıyor
