Açmak için suyu neyler goncaya bülbul dili gerekir  
Bağdan uzak yerî neyler bülbüte sevdâ güli gerekir  
Kupkuru bir çöle dürmüş kavruluvermiş nite seneler  
Zemzemî keşserî neyler yarıma aşkın mülü gerekir  
Hayli huzin bu hikâyeye tüzelenip durmada boyuna  
Çönte gelen ve giden hep istemeden geldiler oyuna  
Kutlanılan cile değmez varmak için bir yazılı sona  
İnsan olan malî neyler tutmağa bir dost eli gerekir
