SEFYAN

Kordon boyunun çapkın güzeli Yemyeşil yamaçlar seni kucaklar
Mehtâbı bile edersin deli Her avuç toprağın tarihi saklar
Meltamin ruhlarına huzur veriyor Bağrında uzayan engin denizde
İnan izmir gönüm sende eriyor Bir çift mâvi gözün akleleri var

Kahraman efeler yatağısın sen
Güzeller dilberler otağısın sen
Ben gibi âşıklar uğrağısın sen
İnan izmir gönüm sende eriyor
