Bilgiden Maksad Allah Mârifetidir

Kulluğu mü'minlerin bir ulu Sübhân'edir
Hizmeti dervişlerin er olan insânedir

Gördüğü mahbûbudur, arzusu mâşûkudur
Âşika yok başka şey, varsa hep efsânedir

Sâhib-i ilm ü edeb ârif-i billâh olur
Mazhar-ı kalb-i selîm, hem tecellî-gâh olur

Cümle bilgiden garaz Hakk'ı görüp bilmedir
Kim buna ermiş ise âleme o şâh olur

Çok şükür Allâh'a ki eyledi ihsân bize
Zulmet-i dünyâda bir mürşid-i âlî bize

Şükr ile Ken'ân diyor etti inâyet Hudâ
Lutf edip oldu ayân Hak o cemâlden bize
