Külhan beylük omurgasılık hiçe pek sandır
Kadeh karmak elin sarımak hovardaya misandir
Küplüğe de girmeyenler ismeyenler pişmandir

Girib bir tek cakmala
Gamsu dilben atmak
Veresize vermesse
Tergahdara catmala

Bu gençlikde haylaz haylaz yazmak hiçe pek sandır
Demhanede nagra nagra atmak hiçe pek sandır
Tarhoş olup meyhanede suzmak hiçe pek sandır
Aman Talis ne istersen hiçbir külhanbeyizig
