Sadeddin Kaynak

Menekşelendi Sular, Sular menekşelendi

Zaman fışkırdı akşamın dinlediğim yine sensiz

Leylak purluklarla bahçeler fışkırdı

İnkıdın yine hükmü olamazmış gül dikenli

Dikenli gül olamazmış, Çilesiz gönül Tokand (Ayşem)

Her kus hükmü olamazmış, her çiçekte gül Tokand "Ayşem"

Ne hükmü fışkırdı, Seni sendiğim kadar

Ne böyle seven gönül ne de senden güzel var

İçli bir özleyişe bırak beni yanıyorum

Gözümde gördüğüm rüyama inanıyorum
