Mey sunduğun akşam göztünün rengi yeşildi
 Mey sunduğun akşam bu gönül dertli değildi
 Hicranzede ruhum yeniden sevmeyi bildi
 Gülgün dudagından bana mey sunduğun akşam.

Mehtab dalarak yollara hâlâ kimi bekler?
 Sahilde duran gölgene rüya diyecekler
 Gökten ve denizden daha sarıhaştı çiçekler
 Gülgün dudagından bana mey sunduğun akşam.
