

Alâeddin YAVAŞCA

[illegible][illegible]

Ne bil dim kıy me tin ne bil din kıy me tim

Re va mi şid de tin re va mi hid de tim

 zul me den sen mi sin, bil mem ki ben mi yim,

Ka der mi tâ li mi ağ yar mı a cep kim

kış kanç lık a le vi kalp le re gi re li

Sen de li ben de li aşk de li ruh de

le bildim kiymetin, ne bildin kiymetini
 revamı şiddetin, revamı hiddetini
 zulmeden sen misin, bilmemki ben miyim
 kader mi, tâlimi, ağyarmı acep kim?

Kıskançlık alevi kalplere girerli
 Sen deli, ben deli, aşk deli, ruh deli
 Severken sen beni, severken ben seni
 Bir gurur mahvetti hem seni hem beni

le sensiz bir mekân, ne sensiz heyecan
 vermiyor teselli, ne ümid ne de can
