Ne tattım başkadutaharda
Ne buldum başka kucaklarda
Benden işten severken sen
Ne olur den bana bu ilkbaharda

İsmi gördümün çiftainde
Sitemden dursun yeriinde
Göleceğin diye günün birinde
Yürüm çığırın den ilkbaharda

Senetleri senetler havalar

Yürümün bir anı kaplar

Ne olur çileden kurban seni

Ne olur
