No yaptım, kendimi nasıl aldıattım,
Elimle rûhumu âteşe attım
Kırdım o ince kalbî
Gönlümü ele sattım
Çileli bülbül gibi
Dilimle derde çattım
Bin ıztırâp yarattım

Değıştim dikenî nazlı gülümle
Taptığım mîhrâbı yıktım elimle
Vefâsızlığımı dedim dilimle
Yâri feda edip her emelimle
Aşka ihânetin zehrini kattım.
