- Ne yasemen ne یتir -

Ne yasemen ne یتir gözlerimde Nergis var  
Cümle cümle her satır sözlerimde Nergis var  
Baharında, kışında yazlarında Nergis var  
Cümle cümle her satır sözlerimde Nergis var

Dudağında bir yet gözlerimde yas gibi  
Cânân gibi can gibi canıma yololar gibi  
Bolbolde ses gülde renk suhava gömür gibi  
Cümle cümle her satır sözlerimde Nergis var
