NIHÂVEND

NELER ETTİN SEN

NİM SOFYAN (J=)

GÜFTE: MEHMET ERBULAN
BESTE: METİN EVERES

Neler ettin sen neler
Senelerce sen bana
Dermânın dertten beter
Derdimi aqmam sana
Yapma dedim kaç kerre
Yaktın beni boşyere
A vuç a çar göklere

Hergün başka dert olsa
Başına karlar yağsa
Mahşere dek boşkal sa
Kalbimi aqmam sana
Gençliğim geçse boşa
Yazılan gelir başa
Derdimi döker taşa
