

## PLAKLARDA SESİNİ ( Dursun Kaptan) -

Plâklarda sesini duydunda çıktın yola  
Nasıl gelirse gelsin düştün bu İstanbula  
O bülbül sesinizden bir şarkı işiteyin  
Ha burdan menlemete ya ben nasıl gideyin

Dursun kaptan Batundan avare etti kalkdı  
Şışirdi yelkenleri cigarasını yakdı  
Pupa yelken giderken küpeşteye yaslandı  
Dursun kaptanı görsen sanırsın bir arslandı  
Taka yüklü cephaneye Trabzona varacak  
Düşnana rast gelirse takayı batıracak

Vardiyadan bağırdı Dursun kaptan bir duman  
Uşaklar hep alesta ne diyec kahraman  
Kaptan alıp aynayı dediki Gülcenaldır  
Bir horan edeceğiz kemaneciyi kaldır

Gideriz yalı yalı da tutarız nakriyalı  
Keneri bordaladıkda vur kemaneci Ali  
Poyraz çakıyor poyraz da selâm olsun Rizeye  
Elli beş sefer ettik de kuvai milliyeye  
Of Sürmene araklıda yanaştık Trabzona  
İstiklâl savaşına da çalıştık kana kana.
