Ben akımlar kadar büyüü sıcak
Rüyalarım kadar tatlı güzeldü
Başkara uzandık büyüü ıslak
Çimen leine yaz bahçelerinin

Hani, hani nerede verdiğün sözler
Hayalimde kalan yemyeşil sözler

Ömrün fecesinde sükûn aydınlık
Boşalan bir seldi avuçlarımdan
Bir mabul meyvası gibi paylaştık
Mehtabı kurtuluş dal uşlarından

Hani, hani nerede verdiğün sözler
Hayalimde kalan yemyeşil sözler.
