Kürdîlî hicazkâr cürcuna

se mi mes ta ne gö rüm

seni mestane görürce sanırım.
gâh ölür gâh dirilir canlanırım.
ben güzel gözle karışsa mezarım
sende baygın lakımdan tanırım.

nakiçam ile değışsem seni ben
bu pazarlıkta yine ben aldanırım
beni zencircemün zaptıdemey
gülfürüm bir telime bağlanırsın.
