Sevdi cânım şimdi bir nesnes-peri

Sime benzer cism-i pâki, her yeri

Görmemiş çeyri felek gökden beri

Göz süsüp geldikçe bezme ol (peri) cıvön

Âşık-ı üftadesine ayler figan

Vardır o sühün yüzünde hüsnü'nün

Muhterem hocamız

Sadettin Hepar'de kutlusun

Eski yarı bir defterden

çyner... Temmuz 1973
