Güftesi:

Bağ gölgelenir, güller açar, bülbül öterken
Hak sanki yaratmış, seni bir yaz gecesinden.
Ömrün bana mehtabı ve yıldızları sendin.
Hak senki yaratmış, seni bir yaz gecesinden.

Kalbim seni bir yaz kuşu dinler gibi dinler,
Esmer geceler sendeki güzelliği söyler.
Yollar kokunu gönlüme temmuzda çiçekler..
Hak sanki yaratmış, seni bir yaz gecesinden.
