## TALAAL BEDRU ALEYNA

Talaal Bedru Aleyna  
Min thenniyet el-vedâ'i

The Rising of the full moon is upon us.  
With the grateful farewell of Mecca.

Vacib essukrü aleyna  
Made'â lillahi Dâ'i

We should be thankful for your coming to us.  
There are none who do not make dua to ALLAH.

Eyyuhel mebut'h'u fina  
Ci'te bil emril muta'i

Oh you, the Messenger, you have been brought amongst us.  
You brought with you obedient commandments.

Muteserref el-Medina  
Merhaban ya hayran'â

By coming to Medina, You have given us great honor.  
Oh Greetings and salutations to you the best of us.
