Aranajme

Taştın yine deli gönül, sular gibi çaylar mısın.  
 Aktın yine kanlı yuşım yollarımı bağlar mısın,  
 Nide melim... ermez yare bulunmaz derdime çare  
 oldum... den âvare beni bunda eyler misin?  
 Karlı dağların başında salkım salkım olan bulut  
 saçın çözüp benim için yaşın yaşın ağlar mısın?
