Hey hat ne bir ha ber ne de bir iz var

On dan ne bir ha ber ne de bir iz var,

Umidim kızıla hayatım hicran
Ondan ne bir haber, ne de bir iz var
Hâlâ nedir bizi ayıran
Ondan ne bir haber, ne de bir iz var

Bekledim yolunu belki gelecek
Hicran gönlüme belki gülecek
Hicranı kalbinden belki silcek
Heyhat ~~ne~~ bir haber ne de bir iz var,
