Yalnız seni sevdim seni yapadım
 Dendile diyledim inledim seninle şadım
 Senin benim gönüldeki son adım
 Anlam sevgili adula adım, ömrümün doyulmaz derisidir şimdi
 Sevdâ bir hırsabası eken bu gönüm oldu
 Müddini sürleyen dikenli bir gül oldu
 Nâimlerin ruhumda saklayan bir kal oldu
 Askının en değerli mesut derisidir şimdi.
