Yarının bahçesinde dün gece ah,  
 Biz sevistik doğunca tâ besabâh.  
 Geldi bülbül figâna başladı ah,  
 Gül sanıp sinesinde Koncaları;

Yalı fışıldı bütün cihân uyuyor,  
 Yalını bülbül ağlıyor, itiyor,  
 Sus dedim boş yere sen eyleme ah,  
 sana vermem o canlı Koncaları
