Yârin bahçesinde açmasın güller  
Bugün efkârıymın ötmesin bülbüller  
Buna nasırdâ derler kinamanı eller  
Ben dertliyim diğemem söyle sam de dağlar duyarmı  
Bir kötünün yüzünden cana kıymaz

Rize'nin içinde portakal soyar  
Soyma portakale ellerin boyar  
Bir kere öpmeyinen adam mı doyar  
Ben dertliyim...

Hafızamda kaldığı gibi... 7.1.2002
