Cürüma

$\text{♩} = 208$

Yine mi süslendi dağlar yine mi

~~Uğruna vurnuğım bunca senemi~~

~~Beni savunurken hasrın dâvası~~

Sende ki şu bahâr cennetine bak

~~Kulağımda çınlar durmadan sesin~~

Varsın cihan buna ne derse desin

Sen benim gözümde bir efsânesin

~~Gel de yanımdaki heybetine bak.~~

Ne olur yolumdan çekme ayağı

~~Birlekte yaşasak en güzel çağı~~

~~Görmek istiyorsan büyüyen dağı~~

Gel kalbime eğil hasretine bak.
