seni ha ja se ven kulbe nim is te

uzak ton u za ga gül ba na ye ter son

Xine uzakta kal gelme istersen
Seni sevdigimi bil bana yeter
Gelip göz yaşimi silme istersen
Uzaktan uzaga gül bana yeter

Çigneyip gectigim yol benim iste
Şarkini söyleyen dil benim iste
Seni hala seven kul benim iste
Uzaktan uzaga gül bana yeter

İmutmak olumdar onu isteme
Sapnak sapnak yağan sensin kalbinde
Arada sıradan bakip yüzüme
Uzaktan uzaga gül bana yeter.
