Ağaçlara, yollara
Sahildeki kumlara,
Buğulanmış camlara

Seni yazdım, görmedin... Nağme, nağme, şarkıda
Satır, satır şilte de
Nokta, nokta içimde,
Seni sevdim, bilmedin...

İlk baharın yelinden
Bulutların elinden
Kumruların dilinden
Haber saldım, gelmedin...

YALÇIN BENLİCAN!
