1. Balam sen ne güzelsin
Nazına kurban olam
Bin bahara bedelsin
Yazına kurban olam

2. Menim nazlı ceylanım
Yüzüne hep heyranım
Üzme beni ay canım
Gönüle girdin balam

Balam balam bal balam
Gönülde hep kal balam
Bütün canım al balam
Balam balam bal balam
