8. Düyek

Benim dünyam ne güzeldi
Orda yıldız ay gülerdi
Gönül çok mesut gezerdi
Benim dünyam ne güzeldi

Bütün mevsim gül acardı
Orda yalnız neşe vardı
Gönül çok mesut yaşardı
Benim dünyam ne güzeldi

Uzaklarda şimdi benden
Bıktım artık dünya senden
Çiçekden gülden dikenden
Benim dünyam ne güzeldi
