Büselik Şarkı'nın devâmı

F. Karahamudîoğlu

Benimle baharsın benimle hüzün  
Her mevsim içimde güller gibisin  
Alma kadehin hükmünü yaran  
Sendayla titreyen eller gibisin

Yeşilin sarının morun içinde  
Atevin ateşin kerun içinde  
Acının kahırın zorun içinde  
Her derde terüman diller gibisin

Gün olur rüzgârla sivrülür coşar  
Gün olur saçların kırları yaşar  
Gün olur gözünden yağmurlar taşar  
Kabına sığmayan seller gibisin
